Every attempt will be made to have choreography on the sessions your skater is already registered for, however this may not be possible if not all skaters in the group are on the session. Skaters will be allowed to skate on sessions for group (groups of 2-5 skaters) choreography for the duration of the lesson only, for no ice time charge.

Soloist choreography may begin before February in order to free up time for the group choreography at the end of January. Opening, High School, and Closing number practice times will begin at the end of January.

Rules Concerning Practice Ice, Rehearsals, Payments & Requirements

Please initial each line below

_____ It will be up to the skater and their coach as to how many off-ice practices are needed.

_____ Any group up to 5 skaters may practice on regular club ice. This will be scheduled so as to not disrupt regular lessons or classes where possible. Larger groups MAY NOT practice on regular TCFSC club ice time. Special practice times will be posted for large group numbers.

_____ No make-up session will be held on any TCFSC club ice time. The reason for this is that it interferes with regular ice time and already scheduled skater lessons.

_____ All skaters will be expected to attend their scheduled ice show practices. **If a skater misses 2 or more scheduled practices (on or off-ice), they may be removed from that number and no money will be refunded.** If you absolutely must miss a practice, please notify the coach that is choreographing your number and arrange to review the information that you missed with another skater in your group number.

_____ If you must miss a practice, you will still be billed for the session at the group rate.

_____ Please as a courtesy to other skaters in your group, do not schedule vacation times near the ice show or they will be counted as a missed practice.

_____ I am accepting a position for the 2020 annual Ice Show. I understand that the coaching team is making all casting decisions for this year's ice show.

_____ I understand if I decide to drop out of the show, no fees are refunded and I am still responsible for the coaches' fees if I am in a group number.

_____ I understand the stated information for the "Annual Ice Show" and am committing to the attendance required at practices, tech rehearsal, dress rehearsal, and all three performances.

_____ I understand that I am required to bring in \$100 worth of ads by January 20th, 2020 for the program book to receive a \$100 credit for the Advertisement Fee. This is a per family fee, the advertisement may be used by you if you wish.

_____ For the skater to be allowed to skate in the ice show, all accounts from Fall/Winter session contract & ice show fees must be paid in full before receiving your costumes.

I have read over the policies above and agree to abide by the practice ice guidelines for the 2020 Ice Show.

ADVERTISING REQUIREMENTS

Ice show ad deadline is January 15, 2020

- Each TCFSC family is required to bring in \$100 worth of ads for our program book. You can accomplish this in any combination. You may use the ad yourself, or you can sell ads to local businesses. Make all ads payable to TCFSC. Ads you sell will be credited towards the advertisement fee you paid at registration. Refer to previous years programs for examples of ads, available in the office.

Ad prices are as follows:

\$100 full page – 8.5x11

\$50 half page – 8.5x5.5 (horizontal, no vertical)

\$30 business card size – 2x3.5 (horizontal, no vertical)

\$10 happy ad – text only

- Since ice show is a large fundraiser for our club, we can always use more ads. Please encourage skaters to sell as many ads as they can!

- YOU WILL RECEIVE A 60% CREDIT TOWARDS YOUR CLUB ACCOUNT FOR AD SALES OVER \$300. SO IF YOU SELL \$500 IN ADS, YOUR ACCOUNT WILL BE CREDITED \$120.

- Developing the Ice Show program is a long, tedious process that requires a lot of organization so we must use these guidelines to ensure that we can meet our printing deadlines.

- Due to the large volume of unreadable file formats in previous years, there will be an additional charge of \$25.00 if your ad is not provided in the following format: skaterslastname2020.JPG. You will replace “skaterslastname” with the last name of the skater you are supporting followed by the year. Be sure your file is saved to the size you are wanting it to print (ie a full page ad should fit on a 8.5” x 11” page without having to be resized). Please email this file to Jewellee Hiler at tcfsciceshowad@gmail.com. A printed version of your ad/s is also required to ensure the print quality of the images and that all text looks as it should. This can be turned in along with your check payable to TCFSC into the ice show ad box in the TCFSC office. If you are unable or unsure you can provide your ad in the approved format, please contact one of the local print shops (Copy Central, Copy Shop, Kwik Print, etc.) and ask for assistance. They have the capability to convert your ad to the approved format, and can even help you design your ad for a nominal fee.

ALL ads must be paid for by the ad due date (January 15, 2020) or they will not be printed in the program. I have read over the advertising requirements for the 2020 Annual Ice Show.
