

**TCFSC Assumption of the Risk and Waiver of Liability
Relating to Coronavirus/COVID-19**

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

The Traverse City Figure Skating Club (“the Club”) has put in place preventative measures to reduce the spread of COVID-19; however, the Club cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attendance and/or participation in activities at the Club could increase your risk and your child(ren)’s risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the Club may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Club employees, coaches, contractors, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself including, but not limited to, personal injury, illness, disability, and death, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur as a result of possible exposure to or infection from COVID-19 in connection with my child(ren)’s attendance at the Club or participation in Club programming (“Claims”). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless the Club, its manager, directors, officers, employees, contractors, coaches, volunteers, agents, representatives, program participants and their families, heirs, representatives, predecessors, successors and assigns, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Club, its manager, directors, officers, employees, contractors, coaches, agents, representatives, program participants and their families, heirs, representatives, predecessors, successors and assigns, whether a COVID-19 infection occurs before, during, or after participation in any Club program.

I acknowledge that I have signed a separate general waiver of liability connected to my participation at the Club and I agree that the terms of that waiver are wholly incorporated into this document and that the terms of this document are incorporated into the separate general waiver.

By signing this waiver, I also agree to:

- Abide by the hygiene rules and protocols established by the Club, and Centre ICE
- Abide by the safe distancing rules established by the Club as recommended by federal and state health agencies
- Report symptoms, suspected or confirmed infection, or suspected exposure, and to allow sharing of that as part of contact tracing

PLEASE NOTE: ALL above signatures and information are required.

***WAIVER and RELEASE of LIABILITY, ASSUMPTION of RISK and
INDEMNITY AGREEMENT --- Learn To Skate***

SKATERS NAME: _____

The following must be completed before membership is accepted.

I expressly acknowledge:

In consideration of participating in Traverse City Figure Skating Club activities, I represent that I understand the nature of figure skating activities ("activity") and that I am qualified, in good health and in proper physical condition to participate in such "activity". I acknowledge that if I believe event conditions are unsafe, I will immediately discontinue participation in the "activity".

I fully understand that this "activity" involves risks of serious bodily injury, including permanent disability, paralysis and death, which may be caused by my own actions, or inactions, those of others participating in the "activity", the conditions in which the "activity" takes place, or the negligence of the "releasees" named below; and that there may be other risks either not known to me or not readily foreseeable at this time; and I fully accept and assume all such risks and all responsibility for losses, costs, and damages I incur as a result of my participation in the "activity".

I hereby release, discharge, and covenant not to sue the Traverse City Figure Skating Club, United States Figure Skating, it's directors, officers, administrators, sponsors, volunteers, agents, employees, staff, instructors, trainers, other participants and if applicable, owners and lessors of premises on which the "activity" takes place (each considered one of the "Releasees" herein) from all liability, claims, demands, losses, or damages on my account caused or alleged to be caused in whole or in part by the negligence of the "releasees" or otherwise, including negligent rescue operations; and I further agree that if, despite this release, waiver of liability, and assumption of risk, I, or anyone on my behalf, makes a claim against any of the Releasees, I will indemnify, save, and hold harmless each of the releasees from any loss, liability, damage, or cost which any may incur as the result of such claim.

The Traverse City Figure Skating Club has the right, but not the obligation, to provide rules, regulations and/or ice monitors for Club Ice. We hereby acknowledge that the Traverse City Figure Skating Club shall not be responsible for the supervision of the members at Club Ice.

This Authorization and Waiver is binding upon me, my heirs, executors, legal representatives, successors and assigns. The provisions of this Authorization and Waiver will continue in full force and effect even after the termination of the Activities conducted by, on the premises of, or for the benefit of, the TCFSC, whether by agreement, by operation of law, or otherwise.

This Authorization and Waiver is governed by the laws of the State of Michigan and is intended to be as broad and inclusive as is permitted by that law. If any provision of this Authorization and Waiver is held invalid or unenforceable by a court of competent jurisdiction, the remaining provisions will continue to be fully effective.

I grant permission to TCFSC to utilize any photograph, videotape, motion picture, recording or other record of me.

I have read this RELEASE AND WAIVER OF LIABILITY, ASSUMPTION OF RISK, AND INDEMNITY AGREEMENT, understand that I have given up substantial rights by signing it and have signed it freely and without any inducement or assurance of any nature and intend it to be a complete and unconditional release of all liability to the greatest extent allowed by law and agree that if any portion of this agreement is held to be invalid, the balance, notwithstanding, shall continue in full force and effect.

PARENT & ATHLETE CONCUSSION INFORMATION SHEET

WHAT IS A CONCUSSION?

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious.

WHAT ARE THE SIGNS AND SYMPTOMS OF CONCUSSION?

Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury.

If an athlete reports one or more symptoms of concussion after a bump, blow, or jolt to the head or body, s/he should be kept out of play the day of the injury. The athlete should only return to play with permission from a health care professional experienced in evaluating for concussion.

DID YOU KNOW?

- Most concussions occur without loss of consciousness.
- Athletes who have, at any point in their lives, had a concussion have an increased risk for another concussion.
- Young children and teens are more likely to get a concussion and take longer to recover than adults.

SYMPTOMS REPORTED BY ATHLETE:

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, foggy, or groggy
- Concentration or memory problems
- Confusion
- Just not "feeling right" or is "feeling down"

SIGNS OBSERVED BY COACHING STAFF:

- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows mood, behavior, or personality changes
- Can't recall events prior to hit or fall
- Can't recall events after hit or fall

THAN THE WHOLE SEASON"**

CONCUSSION DANGER SIGNS

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless, or agitated
- Has unusual behavior
- Loses consciousness (even a brief loss of consciousness should be taken seriously)

WHAT SHOULD YOU DO IF YOU THINK YOUR ATHLETE HAS A CONCUSSION?

1. If you suspect that an athlete has a concussion, remove the athlete from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and it's OK to return to play.
2. Rest is key to helping an athlete recover from a concussion. Exercising or activities that involve a lot of concentration, such as studying, working on the computer, and playing video games, may cause concussion symptoms to reappear or get worse. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional.
3. Remember: Concussions affect people differently. While most athletes with a concussion recover quickly and fully, some will have symptoms that last for days, or even weeks. A more serious concussion can last for months or longer.

WHY SHOULD AN ATHLETE REPORT THEIR SYMPTOMS?

If an athlete has a concussion, his/her brain needs time to heal. While an athlete's brain is still healing, s/he is much more likely to have another concussion. Repeat concussions can increase the time it takes to recover. In rare cases, repeat concussions in young athletes can result in brain swelling or permanent damage to their brain. They can even be fatal.
