

Attention High School Skaters!

The Traverse City Figure Skating High School Team is looking for High School Team members! If you are in 9th – 12th grade you are eligible to join the Combined High School Figure Skating Team for the 2016 – 2017 season!

The team is open to any skater, at any skating level, who is in 9th -12th grade and is interested in competing and skating in a team event. There are three competitions this season and also a National team event that we could qualify to compete in!

If you are interested in joining the team please let me know as soon as possible, I need to know if you are interested in joining before September 10<sup>th</sup>.

I am very excited for a great skating year! This is a very fun opportunity to skate in a team event and have competitive fun with other high school skaters. I hope you will consider joining the team! I look forward to hearing from you soon!
