

Subject: Santa Sale

Traverse City Figure Skating Club is hosting a **"SANTA SALE"** in conjunction with the Christmas Exhibition on **Saturday, December 17th at Centre ICE**. We will be selling "used" skating items (i.e., Skating dresses, skates, sweaters, pants, etc.). Please bring in all items you wish to sell by Thursday, December 15th.

Have your items securely tagged with the following and fill out the attached spreadsheet:

- Price
- Your Name / Phone Number
- Size if you know it and it isn't on the garment

You will receive 85% of your asking price, so price accordingly. The additional 15% will go directly to TCFSC. Your club account will be credited for your portion of all sales.

The sale will be upstairs at Centre ICE from **10:00 a.m. – 2:00 p.m.** on the 17th. (One hour before through one hour after the exhibition.)

Please note: Any unsold items will need to be picked up in the TCFSC Office by Thursday, December 22nd. After that date the unclaimed items will be donated.

Good luck to everyone participating in the Exhibition! This is always a fun holiday event, and a great way for the skaters to show off their progress.

Happy Holidays!
