TCFSC NOVEMBER ROUND OF APPLAUSE:

Congratulations to our skaters who passed tests at our club virtual test session and Mt. Pleasant test session! Good luck to our Aspire Synchro Team competing at Porter this weekend and our High School Team competing in Kalamazoo next weekend!

Competition/Testing Notes:

Congratulations to our skaters who have been passing virtual tests. As always, your coach will let you know when your skater is ready to test. If you have any questions regarding testing, please continue to direct those questions to your coaches.

We are planning on hosting the following upcoming TCFSC Test Sessions:

- January (Virtual)
- April (Virtual)
- June (In Person - Cherry Classic)
- August 2024 (Virtual)
- October 2024 (Virtual)

FROM THE BOARD ROOM:

Monthly meeting minutes are posted on the TCFSC website under the resources tab when minutes are approved by the board at the next meeting. This section of the newsletter is a brief recap of the previous month's meeting. For more in depth information, please see minutes online.

The Club is purchasing a 20x9x8ft storage unit to have on rink property for easy access at events. Centre Ice helped us secure this for our ice show storage.

BOD approved financials for the fiscal year.

Governance committee met to discuss volunteer hours with the volunteer chair. Board voted to revise the volunteer requirements. New requirements were emailed to club.

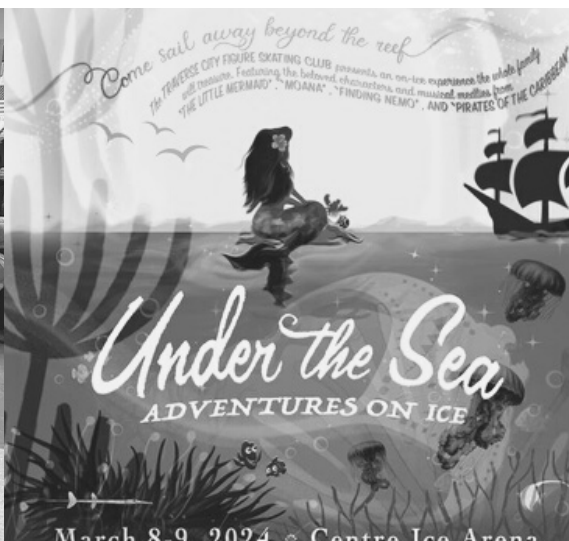

Pie sales went great! 225 pies sold. Huge thank you to Great Lakes Chocolate!

Glow skate will be January 26th from 6:30-8:30pm at Howe Arena. Volunteers will be needed. This is a club fundraiser.

Our first virtual test session went really well! Will continue to schedule them roughly every other month.

Mariah Bell Clinic Registration will open in early December. Priority given to club members first before opening it to non-club members.

There is no December Board Meeting. Next meeting is January 17th at 7:15pm in the Community Room. Zoom available as listen only. Meetings will be the 3rd Wednesday of the month at 7:15pm unless conflicts for the board arise.

WISHING YOU A GREAT MONTH AND SEE YOU ON THE ICE!
